Archaeology

Degree conferred
Master of Arts in Archaeology

Languages of study
Study in French

Commencement of studies
Commencement of studies in the Autumn Semester (September) or in the Spring Semester (February)

Access to further studies
Ph.D

The Master's programme in Archaeology provides training in: routine excavation activities (practical work, study trips, fieldwork placements as well as work placements in museums or laboratories), the principles of data analysis and interpretation, the links with other disciplines (philology, ancient history, ethnology, art history, museology), epistemological and theoretical aspects and, lastly, building bridges between archaeological research and the non-academic world (lectures, exhibitions, events, principles of communication, etc.).

Profile of the study programme
